

WORKSHOP INVITATION

Spot your Life – MMM 2020

LOCATION: Hilton Vienna Plaza, Vienna Hotel,
Schottering 11, 1010 Vienna, Austria

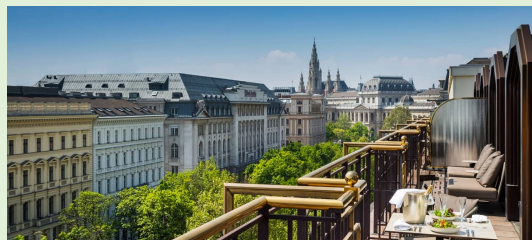

DATES: 15th – 16th October 2020

We are delighted to announce our annual M24You Workshop

Spot your Life – MMM 2020

which will be held in:

**Hilton Vienna Plaza, Vienna Hotel,
Schottering 11, 1010 Vienna, Austria,
on 15th - 16th October 2020**

Our workshop is designed for connecting people with open communication channels in between IVD producers, instrument manufacturers, microfluidics providers, researchers, scientists and business developers. We would like to enable you sharing and exchanging new experience and ideas across the world.

The workshop will cover following topics:

- Design & Microarrays Manufacturing
- Microfluidic applications and Diagnostics
- POCT & Cell Diagnostics
- Biomarkers in Diagnostic care
- Automated Microarray Handling Systems

This year we focus on manufacturing of micro/ nanoarrays for diagnostics and research purposes within biosensors/ microtiter-plates/ lateral flow/ microfluidics/ glass-slides or CMOS from single sample till routinely performed analyses.

Confirmed key speakers:

- Prof. Dr. Rafael (Yong-Ak) Song, NYUAD (United Arabic Emirate)
- Dr. Andrey Tronin, MBU, Novosibirsk (Russia)
- Dr. Christian Harwanegg, MADx GmbH (Austria)
- Dr. Markus Riester, Midge Medcial GmbH (Germany)

Exhibition & sponsoring:

Next to the workshop there will be organized **commercial exhibition of companies with possibility for commercial presentation.**
